

HELPLESS WITH RHEUMATISM

Until He Took "Fruit-a-Lives"
Or Fruit Liver Tablets

R. R. No. 1, LORNE, ONT.

"For over three years, I was confined to bed with Rheumatism. I treated with doctors and tried nearly everything without benefit.

Finally, I tried 'Fruit-a-Lives'. Before I had used half a box, I saw improvement; the pain was easier and the swelling started to go down.

I continued taking this fruit medicine, improving all the time, and now I can walk about two miles and do light chores about the place."

CHILDREN NO EXCEPTION

In Barton as Elsewhere Youth and Age Suffer Alike from Kidney Weakness

Is your child weak, frail and pale? No control over the kidneys' action? Kidney weakness is a serious thing. Far too serious to overlook. It may mean a life of sickness. Profit by Barton experiences. Use Doan's Kidney Pills. Endorsed by Barton parents. Read this Barton mother's endorsement:

Mrs. Elmer Labounty, High street, says: Doan's Kidney Pills are very good. I gave them to my little girl who had very weak kidneys. She was always cross and ugly and couldn't sleep. She passed the secretions too often and she was always very weak. I heard of what Doan's Kidney Pills had done so I got a box at the E. W. Barron Co., and they relieved her. After she had taken a couple more boxes she was cured. She has never been troubled since and surely think Doan's Kidney Pills can't be beat. I am glad to recommend them."

Price 60c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Labounty had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

New Weapon for War on Rats.

The exhaust of an automobile has been successfully used in driving away rats which resisted all previous efforts. The gas was turned into one of the rat holes and the rodents scampered out of others.

*Says the dealer—
"Less carbon"*

"SOME motorists have a lot of trouble with carbon. Believe me, there would be less knocking on hills, fewer scratched cylinder walls, and less spark plug fouling, if everybody would use Socony Gasoline.

"It has taken nearly two generations of refiners to produce Socony, but when you have it in your tank, you know you are right.

"It's all clean power, no waste, full mileage, quick starting. Always pure. Always uniform."
